제 목 : 평택 미군기지 Maple Tree/Paulie's/Vatos 채용 의뢰

Urban Group & Maple Restaurants is looking to fill ~10 full time BOH positions, ~15 full time FOH positions and ~10 full time FOH internship positions for our new multi-brand restaurant facility located on USGA Humphries in Pyeongtaek. The details of the employment conditions are as follows:

Salary: 2,080,000 – Pre Tax and 4 major insurance deductions

Hours & Work Week: 45 hr work week, 5 days a week

Additional Welfare Benefits: 2 meals provided on work days, 30% of the monthly rent for company housing will be subsidized. (estimated cost for company dorms will be between 250,000 KRW – 350,000 KRW, of which 30% will be subsidized)

Hiring Timeline: We want to complete the interview process ASAP, preferably by the first week of May. We want to offer and sign employment contracts to our selected candidates at that time and submit paperwork to the US military base to start the process for them to obtain a base pass, which can take 4-6 weeks. We would prefer for the candidates to start their employment by 2nd/3rd week of May for training and we will be opening the new restaurant for operations the first week of June.

It would be greatly appreciated if Woosung University could reach out to their graduating seniors and recently graduated alumni, and a representative from Urban Group will be happy to travel down to the campus to conduct a Q&A session as well as on site interviews.

We also ask if it may be possible for the graduating seniors who are wishing employment with our company, to be able to start in May, instead of starting their employment after the end of the 1st academic term on June 14th. So we are inquiring if the school will accommodate an earlier completion to the academic term for those students desiring an employment with Urban Group for this project.

We appreciate the opportunity Woosung University is providing our company to work together and do not hesitate to contact us with any questions or concerns.

With sincere gratitude,
Juweon Jonathan Kim
